

CSU General Education/Breadth Requirements

Since 1981, the California State University (CSU) has required that a minimum of 48 semester units of general education courses be completed before a baccalaureate would be awarded. ~~These 30 units~~ may be certified by a community college.

In order to facilitate the transfer of West Valley College students who plan to attend a CSU campus, ~~evaluation~~ ~~of general education~~ requirements may include previously completed courses from other institutions as well as courses completed at West Valley College. Courses completed at other institutions must be evaluated by the Records Office. It is the student's responsibility to provide: (a) an official copy of his/her transcripts; and (b) submit a Transcript Evaluation Form to Counseling Office.

- x Completions of Area A1, A2, A3 and B4 with a letter grade of "C" or better, 60 transferable units with a ~~cumulative~~ cumulative GPA of 2.0 or better required for admission.
- x

Intersegmental General Education Transfer Curriculum (IGETC)

IGETC is a series of courses that community college students can use to satisfy lower division general education requirements on campus. IGETC is an alternative to the CSU and local UC General Education-Breadth requirements. Many private universities also recognize IGETC for fulfillment of general education requirements. IGETC is a good option for the student who intends to transfer but is undecided about a major and/or unsure about attending CSU or UC. Some universities do not accept IGETC. Always consult a counselor when developing an educational plan.

- x A grade of "C" or better in at least 2 years of the same foreign language in high school will clear the Language Other Than English area.
- x CSU transfers need not complete the (LOTE) Language Other Than English requirement.
- x UC transfers need not complete the Oral Communication requirement (Area 1, Group C).
