

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (CSU GE) WORKSHEET

College of San Mateo Transfer General Education Pattern for CSU 2022 - 2023 (June 20, 2022)

Ask a counselor about Associate Degrees for Transfer that can result in priority admissions to the CSU system.
Some courses are listed in more than one CSU GE area but can be applied to one area only.
This worksheet outlines GENERAL EDUCATION requirements. You also must complete lower division MAJOR requirements.
There are instances when a CSM course is approved for CSU GE but the same course at SKYLINE or CAÑADA IS NOT approved for CSU GE. Use ASSIST to confirm course articulation for the college where you take the course!
If you completed course work outside of CSM, CAÑADA, SKYLINE submit a TRANSCRIPT EVALUATION REQUEST FORM on WebSMART to request an official transcript evaluation. With an official evaluation you can see how coursework completed outside of SMCCCD will be applied to CSU GE CERTIFICATION.
Use the online College of San Mateo Catalog (catalog.collegeofsanmateo.edu) to find course descriptions.
