Interfaces (UI) Overview

This mockup shows a detailed call screen interface. At the top, it displays the caller's name 'George Brown' and the phone number '11: John Smith'. Below this, there are several interactive elements: a 'Phone Locked' indicator, a 'Picture ID*' field, and a 'Voicemail' icon. The main area features a large 'Call Forward' button with a telephone icon and an 'Incoming Call' notification with a red triangle icon. At the bottom, there are 'Softkeys' for 'Call Forward' and 'Incoming Call'. The interface is designed with a clean, professional look using a color palette of blues, greys, and reds.
