Glossary of Terms for 25Live

Depending on your level of access, there are 9 possible Tabs (pages) a user can see. The 9 Tabs are: [Home](#), [Event Wizard](#), [Events](#), [Locations](#), [Resources](#), [Organizations](#), [Tasks](#), [Reports](#) and [Publisher](#).

Requestor	Individual making the request for the Event.
Categories	Multiple Event Categories may be assigned to one Event. A Category flags an Event to select which Calendars to publish to. It also specifies how to group or parse Events.
Comments	Comments that are viewable on the Event.

	Explorer. Product Feedback – email sent directly to CollegeNET development.
Cookies	is a small piece of data sent from a website and stored in your web browser when visiting a website.
Cache	temporary storage (caching) of web pages and images.

ICONS

R25 vs 25Live

The image compares two web interfaces: R25 (left) and 25Live (right). Both interfaces feature a search bar labeled "New Quick Search" and a "Space Name" input field. The R25 interface includes a "Search For Locations" button and a "Search by Keyword" field. The 25Live interface includes a "Search For Locations" button and a "Search by Keyword" field. Below the search bars, both interfaces display a table of search results. The table has columns for "Space Name", "Formal Name", and "Maximum Capacity".

Space Name	Formal Name	Maximum Capacity
